

MOTHERS' DAY

MAY 14

Honor the best mother that ever lived, SUNDAY. It is Mother's Day—a day which the whole nation has accepted as an appropriate time to show its love for motherhood. The symbol of the day is a white carnation for mother's memory and a colored carnation for a living mother. And there is more that you can do for mother. Make her comfortable—do whatever you can to make her enjoy the day. Some very good suggestions are offered by the advertisers below. *Give Her a Present.*

Mother Should Be Photographed

Perhaps she'll need persuading, but Mother's picture will prove she is still a beauty—will be in greater demand than those quaint pictures of younger days.
